

Iron Maiden, More Tea Vicar

[Incomplete lyrics]

In the day of the ...?...
Let me tell ya
The vicar's made his mind up
In his leather underwear

He was a vicar ...?...
But now he's not so sure
It's just a ...?... he ...?... on ...?...
.....?

...?... to the ...?... when the anthem starts to play
He fiddled with his organ on the Sabbath Holiday
Yes he did!

Think it may be ...?... of his leather underwear
He was a bit ...?... but now he's not so sure

Huh, yeah!
Huh, fuck!
Hey!
Pass the soap!
Huh!
More tea Vicar!
More tea Vicar!
Oh yeah!
Beg your pardon?
More tea Vicar!

Now he's just made my ...?...
And ...?... of it ...?...

...?... to the ...?... when the anthem starts to play
He fiddled with his organ on the Sabbath Holiday
Oh, yeah!
More tea Vicar!

I'm being ...?... just a ...?...
Then i start to ...?...
I've got a dog ...?...
But then he starts to whine

Huh, yeah!
Yo bitch!
More tea Vicar!
Lick my balls!
Yoho! Hey! Ha!
More tea Vicar!

Young man, you're uncool!
Without cool!

Pass the tea!
Now it's just a ...?... on the way to go
Pass the tea ...?... lad

Pass the soap?
What sort of?
I'm not down with that at all!

More tea Vicar!

No, no no! It's going of track

There you go, there's a studio next door

Ok!

got rid of him anyway!

More tea Vicar!
