

# Iron Maiden, Only The Good Die Young

(Harris/Dickinson)

The demon in your mind will rape you in your bed at night  
The wisdom of ages, the lies and outrages concealed  
Time it waits for no man  
My future is revealed  
Time it waits for no man  
My fate is sealed

If I cancel tomorrow the undead will thank me today  
Fly in the face of the prophets I mock your morality plays  
The moon is red and bleeding  
The sun is burned and black  
The book of life is silent  
No turning back

[Chorus:]  
Only the good die young  
All the evil seem to live forever  
Only the good die young  
All the evil seem to live forever  
Only the good die young  
Only the good die young

Walking on water are miracles all you can trust  
Measure your coffin does is measure up to your lust ?  
So I think I'll leave you  
With your bishops and your guilt  
So untill the next time  
Have a good sin

[Chorus]  
Seven deadly sins  
Seven ways to win  
Seven holy paths to hell

Seven downward slopes  
Seven bloodied hopes  
Seven are your burning fires  
Seven your desires.....
