

Iron Maiden, Run To The Hills

(Steve Harris)

White man came across the sea
He brought us pain and misery
He killed our tribes killed our creed
He took our game for his own need

We fought him hard we fought him well
Out on the plains we gave him hell
But many came too much for Cree
Oh will we ever be set free?

Riding through dustclouds and barren wastes
Gallop hard on the plains
Chasing the redskins back to their holes
Fighting them at their own game
Murder for freedom the stab in the back
Women and children are cowards attack

Run to the hills, run for your lives
Run to the hills, run for your lives

Soldier blue in the barren wastes
Hunting and killing their game
Raping the women and wasting the men
The only good Indians are tame
Selling them whiskey and taking their gold
Enslaving the young and destroying the old

Run to the hills, run for your lives
[repeat to end]
