

Iron Maiden, That Girl

(Andy Barnett/M. Goldsworthy/P. Jupp)

[Originally by FM]

The words she said turned out why
desperation fills her eyes
Hold her in your arms
don't let go

When you taste defeat, when you loose again
Fight and win, never give in
Hold her in your arms
don't let go

[Bridge:]
That girl you need
Gonna knock you off your feet
That girl, you know
She'll never let you go

[Chorus:]
That girl, That girl, That girl you need
That girl, That girl, That girl, That girl

Can you hear her call, call out your name
Think about you, cry without you
Hold her in your arm
Don't let go

Can you taste defeat, when you loose again
Fight and win, never give in
Hold her in your arms
don't let go

[Bridge]

[Chorus]

[Solo]

[Chorus 2x]

You need!
