Iron Savior, Crazy

[Ltd. Edition Bonus Track] [originally from Seal]

A man decides after seventy years That what he goes there for is to unlock the door While those around him criticize and sleep And through a fractal on a breaking wall I see you my friend and touch your face again Miracles will happen as we trip ooh oh oh But we're never gonna survive unless we get a little crazy No we're never gonna survive unless we are a little crazy Yellow people walking through my head One of them's got a gun to shoot the other one And yet together they were friends at school oh get it get it no If all were there when we first took the pill Then maybe then maybe then maybe then Miracles will happen as we speak But we're never gonna survive unless we get a little crazy No we're never gonna survive unless we are a little crazy In a sky full of people only some want to fly isn't that crazy In a world full of people only some want to fly isn't that crazy In a heaven full of people there's only some want to fly ain't that crazy In a world full of people there's only some want to fly Ain't that crazy ain't that crazy But we're never gonna survive unless we get a little crazy No we're never gonna survive unless we are a little But we're never gonna survive unless we get a little crazy No we're never gonna survive unless we are a little just a little crazy And then you see things the size of which you've never known before They'll break it someday only child know Them things the size of which you've never known before Someday someway someday someway
