

# Isaacs, From The Depths Of My Heart By The Isaacs

It hasn't been a bed of Roses since I started on my way and Lord you know i'm not complaining theres just something I should say For I've reached desperation and I've stumbled since my start I've grown weary thru the years now I'm crying bitter tears from the depths of my heart.

CHORUS:

From the depths of my heart Lord i'm call ing out to you for I need you here to lead me, I've done all that I can do Lord I'm trying to do my part to see that others make it thru and tho I know I don't deserve you, still I'm trying hard to serve you from the depths of my heart.

It's not a prayer just from the lips, It goes much deeper than words.Its not a worthless expression I just need to be heard for Lord I need to reach your throne I know exactly what I'll do I'll just fall down on my knees I know you will hear the pleas from the depths of my heart.

CHORUS:

From the Depths of my heart, Lord I'm calling out to you for I need you here to lead me, I've done all that I can do, Lord I'm trying to do my part to see that others make it thru and tho I know I don't deserve you, still I'm trying hard to serve you from the depths of my heart.
