

# Isaacs, In His Hands

I found a reason to love again  
I found the answer, I found a friend  
I saw two footprints here in the sand  
he walks beside me, I'm in His hands

(chorus)

I must remember I am a sinner  
If I surrender, He'll take me home

I am no angel, I'm just a man  
But I'm forgiven, I'm in His hands

(chorus)

His love will find you  
When no one can  
It is not hopeless, We're in His hands  
It is not hopeless, We're in His hands
