## Isis Gee, For life

I had no choice Perfectly clear from the start I heard your voice And I was falling Into a space Where daylight kisses moonlit skies It was the place Was written in your eyes And oh, we made it We finally found our way And celebrating Just where we.. .We stand today I'll let my heart show the way Oceans and mountians between us Because your lovels why You made the wrong right I will give my all I will heed your call For LifeI had no choice Perfectly clear from the start I will rejoice Embrace your calling And into a space Where daylight kisses moonlit skies You found my heart And I knew it was For Life(Yeah) I'll let my heart show the way, Oceans and mountians between us Because your lovels whyY ou made the wrong right I will give my allI will heed your call For LifeFor Life
