

Isley Brothers, I Once Had Your Love (And I Can't)

Every day I think of you
Can't believe it's true that I'm so into you
That I don't know where I'm goin'
I never felt this way before
All I wanna do is to love you, baby
Behind closed doors

Ooh, I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go

I once had your lovin', baby
And I can't let go
Don't let go
All of the good times that we shared

Every day's a holiday
We could celebrate makin' love together
Ooh, let's keep this fire burnin'
Every day is new, girl
When I think of you I get so excited
Ooh, you keep my whole world turnin'

I just had your lovin', baby
And I can't let go
I once had your loving, baby
And I can't let go

I once had your loving, baby
And I can't let go
Don't let go
All of the good times that we shared

Can't let you go
Can't let you go
Can't let you go
Can't let you go

Girl, I can't let you go
Sure as heaven above we've found love

You and I can fly away
Maybe to L.A. or some lovely island
Take a stroll along the ocean
Building castles in the sand
Doin' all the things we planned together
Ooh, I love you so much, baby

I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go

I once had your lovin', baby
And I can't let go
Don't let go
All of the good times that we shared

I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go

I once had your lovin', baby
And I can't let go
Can't let it go, girl

I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go

I once had your lovin', baby
And I can't let go
Can't let it go, no, no

Ooh, I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go

I once had your lovin', baby
And I can't let go
Can't let go

I once had your lovin', baby
Can't let go
I once had your lovin', baby
Can't let go

I once had your lovin', baby
And I can't let go, ooh
