## Isley Brothers, Inside You

Baby just stay with me a little longer Baby I'll guarantee the feeling stronger You don't know what you do to me I wanna be inside you baby Baby just stay with me a little longer Baby I'll guarantee we'll get it on Read my mind and I know you'll find I wanna be inside you baby.

There ain't nothing but love inside you girl And I wish that you knew what goes on inside of me baby Stay with me a little longer Baby I'll guarantee we'll get it on All I know is what you do to me I wanna be inside you baby

There ain't nothing but love inside you girl
And I wish that you knew what goes on inside of me
Baby just stay with me a little longer
Baby I'll guarantee the feeling stronger
You don't know what you do to me
I wanna be inside you baby

Baby just stay with me a little longer Baby I'll guarantee we'll get it on There ain't nothing but love inside you girl And I wish that you knew what goes on inside of me baby

Baby just stay with me a little longer Baby I'll guarantee the feeling stronger You don't know what you do to me I wanna be inside you baby
