

Isobel Campbell, Song For Baby

Take your time
Take it real slow
It takes time
You know
Do unto
As you would do
To yourself
It's not new
What you reap
Is what you sew
Work it - stop!
Now go
There are those
Who will hurt you
And this just
Won't do
And there are those
Who'll bring you love
Sweet love
Listen up!
You will grow strong
Wish you luck
Sing-song
Stars that shine
One day maybe
Yours and mine
Baby

And there are those
Who'll bring you love
Sweet love
