

# Ivan & The Parazol, Baby Blue

I never lied to you  
Never been such a fool  
this place is getting wet  
'cause your love is what I get

Baby you said to me  
That blue is the color of the sea  
the crowd is in love with you  
Ah they all do, what I want to

Blue Baby Blue  
Blue Baby Blue  
Blue Baby Blue  
I'm gonna whooh with you

Say that you saw me somewhere  
I promise that I'll be better  
I want to make you feel  
that my Baby Blue, oh is real

Blue Baby Blue  
Blue Baby Blue  
Blue Baby Blue  
I'm gonna whooh with you

Blue Baby Blue  
Blue Baby Blue  
Blue Baby Blue  
I'm gonna whooh with you
