

Ivelina, Part Time Lover

Part Time Lover Lyrics

by Ivelina

Stay night, only by day

We're secret lovers, dancing the night away

Dancing the night away

It feels so wrong, it feels so right

We're stuck in replay, dancing the night away

We're stranger day by day,

Let me be, let me be

Let me be your part time lover

We are ? only ?

Let me take you undercover

Yeah I ?that

Go, go, go, go, go, go, go?

Go, go, go, go, go, go, go?

We're on the run, we've only begun

We're secret lovers, dancing the night away

Dancing the night away

We're chasing love, I'm ? love

We're undercover, baby don't go away

Baby why can't you say ?

Let me be your part time lover

We are ? only ?

Let me take you undercover

Yeah I ?that

Go, go, go, go, go, go, go part time lover

Go, go, go, go, go, go, go part time lover.
