

Ivy, In The Shadows

The first time
I knew that I had you.
The last time I caught you,
Oh had I taught you.

I know what you are.
I know what you are.

I watch
(I see you everywhere.)
Myself now
Looking
(I know beneath it all...)
At you.
I feel
(I see you everywhere.)
Ashamed by it all.
(I know beneath it all...)
What can
(there's nothing left in me)
I do?

I know what you are.
I know what you are.
I love the way you are
Hiding in the shadows.
In the shadows
