J.B.O., Raining Blood

Humidity is rising Barometer's getting low According to our sources The street's the place to go

Cause' tonight for the first time Just about half past ten For the first time in history It's gonna start raining blood

It's raining blood Hallejulah It's raining blood Amen

I'm gonna go out I'm gonna let myself get Absolutley soaking wet

It's raining blood Hallejulah It's raining blood Every special men

Tall blonde dark and lean Rough and tough and strong and mean

God bless Mother Nature She's a single woman too She took over heaven And she did what she had to do

She fought every Angel And rearranged the sky So that each and every woman Could find the perfect guy

It's raining blood Hallejulah It's raining blood Amen

It's raining blood Hallejulah It's raining blood Amen

I feel stormy wheather moving in About to begin Hear the thunder Don't you loose your head Rip off the roof and stay in bed (Rip off the roof and stay in bed)

God bless Mother Nature She's a single woman too She took over heaven And she did what she had to do

She fought every Angel And rearranged the sky So that each and every woman Could find the perfect guy Oh it's raining blood, yeah
