

# J. Holiday, Suffocate

Now even though I try to play it off.  
Im thinking bout you all day long and  
I cant wait for shorty to come through  
From your lips and back up to your eyes  
my hands on your hips when we grind im fantazing  
Bout what im gon do to you.  
You got me fiending for her love ( can't lie)  
Man you should see how she got me  
Spending all this time with her (with her)  
And I couldnt leave her if I wanted to her love turns men into fools  
Tell me what a man is to do.

Chorus(2x)

Cause I cant breathe when you talk to me,  
Cant breathe when your touching me  
Suffocate when your away from me  
So much love you take from me  
Im going out of my mind

Whenever we up in this bed and my fingers all in your hair,  
I Wonder if you feel me watching you  
Cause I can't go a night without your lovin  
Got me lookin at this phone  
Everytime it rings I hope its you (girl)  
Got me bracin through ur love (and i)
