

J.J. Cale & Eric Clapton, Ride The River

Floatin' down that old river boy, all my worries far behind,
Floatin' down that old river boy, leave old memories way behind,
Yesterday is slowly fadin',
All my life, I've been waitin', for this time.

Floatin' down that old river boy, leaves me feelin' good inside,
Floatin' down that old river boy, tryin' to get to the other side,
Yesterday is slowly fadin',
I been waitin', now forever, for this ride.

Ride the river in this boat, ride the river.
Ride the river in this boat, ride the river.
Ride the river in this boat, ride the river.
Ride the river in this boat, ride the river.

Floatin' down that old river boy, all my worries far behind,
Floatin' down that old river boy, leave old memories way behind,
Yesterday is slowly fadin',
I been waitin', now forever, for this ride
