

J.J. Cale & Eric Clapton, When The War Is Over

When this war is over
It will be a better day
When this war is over
It will be a better day
But it won't bring back
Those poor boys in their graves

Ain't no sense in no action
Killing people all the time
Ain't no sense in no action
Killing people all the time
When it happens on the street
We call that crime

Man, he can't get along
He just won't agree
Who's right and who's wrong
Don't matter you see
All we know is killing
Ain't the way to go
Gotta get a plan
And change our ways you know
