

J.J. Cale, Guess I Lose

Ain't no star in my heaven
Ain't no sun in my sky
Guess I lose
I don't know why
Everyday is dark and dreary
Everyday is feeling weary
Guess I lose
I guess I lose
Ain't no reason to be blue
Ain't no reason I got you
Funny thing, I can't get started
Everyday, I feel downhearted
Guess I lose
I guess I lose
Ain't no reason to be blue
Ain't no reason I got you
Funny thing, I can't get started
Everyday, I feel downhearted
Guess I lose
I guess I lose
