

# J.J. Cale, I'd Like To Love You Baby

(J.J. Cale)

I'd like to love you baby and keep my other baby too  
Put my arms around you, that's all I want to do  
If the sun don't shine tomorrow, I know I've got you  
I'd like to love you baby and keep my other baby too  
Sometimes my baby's sleeping, sometimes she's not around  
Sometimes I look to find her, I know she'll put me down  
Oh, won't you let me hold you, let me lean on you  
I'd like to love you baby and keep my other baby too  
If the sun don't shine tomorrow, I know I've got you  
I'd like to love you baby and keep my other baby too
