

# J.J. Cale, Rose In The Garden

(J.J. Cale)

I'll find my way back to the rose in the garden  
I'll find my way back to her sweet arms  
I'll find my way back to the rose in the garden  
I'll find my way back to her little charms  
Wasting my life, just dreaming away  
No never again will I ever stray  
I'll find my way back to the rose in the garden  
I'll find my way back to her sweet arms  
Wasting my life, just dreaming away  
No never again will I ever stray  
I'll find my way back to the rose in the garden  
I'll find my way back to her sweet arms
