

J.J. Cale, That Kind Of Thing

(J.J. Cale)

It's that kind of thing babe, no alibis
It's that kind of thing babe, shuffle or die
Going through these changes
Like Mr. Right
It's that kind of thing babe, no alibis
It's that kind of thing babe, pay your dues
It's that kind of thing babe, win or lose
Going through these changes
Like Mr. Right
It's that kind of thing babe, no alibis
