

# J.J. Cale, The Problem

(J.J. Cale)

Have you heard the news that's going 'round here  
The man in charge has got to go  
Cause he dances 'round the problem, boy  
And the problem is the man in charge you know  
Now, the young knows what I'm talking 'bout  
It's a con in the old man's game  
The man in charge, he don't know what he's doing  
He don't know the world has changed  
Power seems to be so far up  
The man on the street ain't got a clue  
The high top cats running your life  
Think the problem is me and you  
Born in a time that has gone by  
The old tell the young what to do  
Have you heard the news that's going 'round here  
The problem is the man in charge of you  
The problem is the man in charge of you  
Power seems to be so far up  
The man on the street ain't got a clue  
The high top cats running your life  
Think the problem is me and you  
Have you heard the news that's going 'round here  
The man in charge has to go  
The man in charge has got to go  
The man in charge has to go
