## J.J. Cale, Woman I Love

(J.J. Cale)

Woman I love ain't much more than skin and bone Woman I love ain't much more than skin and bone If she ain't round the house - out of the door, daddy no more Woman I love ain't much more than skin and bone Treat me right, oh no no, can't complain Treat me right, oh no, can't complain She got to be nice, she got me hypnotised Treat me right, oh no, can't complain
