True story, true story

[Verse 1 - J-Kwon]

A here comes the B to the C to the D

No cat out the Lou gangsta as me

Y'all hit two, I'm just goin for three

Bottle full of Cris, but I still rock a tee

And you got a little fat denim, from the streets

Drink so much that it fucked up my tee

People wasn't drunk, so why they wanna be

Cause you get eleven thousand spins in a week

Here comes the C to the B to the A

Never fall off like B2K

Wanna get tipsy, you one drink away

Why would I buy when it's better when you pay

Track Boys from the Lou, Jermaine from the A

But they got the boy gettin tipsy with Sway

Then she said she had somethin to say

"One hit wonder" please I'm here to stay!

[Chorus - J-Kwon]

Now e'rybody, e'rybody, e'rybody, e'rybody

(E'rybody in the club get tipsy)

Oo-oooh, Now e'rybody, e'rybody, e'rybody, e'rybody

(E'rybody in the club get tipsy)

Oo-oooh, Now e'rybody, e'rybody, e'rybody, e'rybody
