And you not so who gon' look after you

[Vita:]

True baby

Vita thighs only divide if you inside  
Cuz I love the way you touch me  
Nobody can get it  
And if it's comin' and gunnin'  
Just come in it and spit it  
So when ya gone for a minute  
I just fantasize like if it's you It's all in it  
Then I'm satisfied til' you come back to me  
Holdin stack and jewels  
V-i-t-a and my nigga J-a RULE baby

[Chorus:]

Cuz boy ya got to me

Are you trustin me? (Yeah Yeah)  
Are you lovin me? (Yeah Yeah Yeah)  
Yeah let's get it grinnin  
Like we Ashford and ons or Ike and Anna Mae  
On one their good days  
You smile like sun rays 5'5 with brown eyes and thick legs  
Only for the RULE baby

[Chorus:]

[Charlie Baltimore:]  
Now baby I told you I can show you better than I can tell you  
Don't try to bring conversey and mail  
Just sweet words and naked photos  
I'm still that pretty down down ass 2 cars behind ya 6  
And I diss any clown ass rockin my round ass only a down ass  
And it's all for u  
I've grown a tad bit since we been at like rabbits  
To move a little bumper and it's  
([Ja Rule:] AND IT'S ALL FOR RULE)  
Shit Who gon' love you like that?  
Thug with you wit a stack to the ceilin  
And spilt in the dub with you  
Cuz I played my position with KO-D's, O G's  
Until that blood shed blood red and we O-Ded  
Remember every word that ya told me  
([Ja Rule:] SHOWED ME,HOLD ME)  
All you need in your life is Chuck, drugs, and dubs on 22's  
Now tell me who the hunny for you  
CHUCK

[Chorus x2]
