

Ja Rule, I'm Real (Murder Remix)

[Ja Rule & JLO one line each]

Whisper: Murder inc

Whats my mother fucking name?

R-U-L-E

Blowin back on this Mary Jane I'm analyzing the game.

(And the game done unchose me.)

Bring pain to pussy niggas and pussy. Holes they one in the same

(Ever since you told me)

Theres only room for 2, I been making less room for you.

(Now only GOD can hold me)

Hug me, love me, judge me, the only man that hoves above me.....

Holla!

[JLO]

I met so many men,

Its like they're all the same.

My appetite for lovin'

Is now my hunger pain!

And when I'm feeling sexy

Who's gonna come for me?

My only problem is,

Their insecurity.

[Both]

Are you tired of bein' alone? (Yeah yeah)

Sick of arguin' on the phone. (Yeah yeah)

Why you telling all ya friends. (Yeah yeah)

But your nigga don't undastandmy love.

[Chorus]

Cuz I'm real.

The way you walk

The way you move

The way you talk.

Cuz I'm real.

The way you stare

The way you look

Your style your hair.

Cuz I'm real.

The way you smile

The way you smell

It drives me wild.

cuz I'm real.

And I can't go on without you.

[Ja Rule]

I've been thinking 'bout the re-lation-ship

And I wanna know is this as good as it gets?

Cuz we been through the worst times and the best times

But it was our time even if it was part-time.

Now they been looking at me smiling at me

Laughing like we wasnt happy

But not knowing that we growin' and we gettin' married

Hard lovin' straight thuggin'

Bitch I ain't doing this shit for nothin'.

Im here to get it poppin' and hoppin'

Lets ride out in the benz, hair blowing in the wind,

sun glistening off my skin.

HEY! I'm nasty, you know me, but your still gonna fuck witcha baby...

[Chorus]

[JLO]

Now people lovin' me and hatin' me, treatin me ungreatfully,

But not knowin' that they aint makin' or breakin' me

My life, I live it to the to the limit and I love it

Now I can breathe again baby now I can breathe again

Now people screaming "what the deal with you and so-and-so?"

I tell 'em niggas mind their biz but they dont hear me though

Cuz I live life to the limit and I love it

Now I can breathe again, baby now I can breathe again

[Ja Rule]

Are you tired of being alone? (Yeah yeah)

Sick of arguin' on the phone? (Yeah yeah)

Why you telling all ya friends? (Yeah yeah)

But your nigga don't understand..... my love.

[Chorus 2x]

[Instrumental Fade]
