

# Ja Rule, Life Goes On

Yea

This one goes out  
To all my niggaz across the world  
Going through that struggle  
Feeling that pain  
We wit you my niggaz  
But no matter what God has planned for us  
Know this  
Life goes on

[Chorus]

I pour out the liquor for (ohh)  
I wish I wish I wish for (yea)  
For all my niggaz that's dead and gone (ohh yea)  
I'ma see you when I get there (life goes on)  
I pour out the liquor for (ohh)  
I wish I wish I wish for (yea)  
For all my niggaz that's dead and gone (ohh yea)  
I'ma see you when I get there (life goes on)

They say kill or be killed's the only way to live these days  
So how come only my hood niggaz live this way  
We put together the puzzle but still stuck in a maze  
I put it all in perspective cause I'm coming of age  
28 and I see more niggaz go to the grave  
More mommas in pain  
More murals wit names (ey)  
Sometimes you look to the Lord to blame  
And pray everyday wishing that things could change  
Cause I'm just wishing you was here my niggaz  
Wish that you could be wit me to ball my niggaz  
Send a sign I'm on call niggaz  
Promise to pick me up if I fall my niggaz  
The way I wish y'all was still alive (I know)  
Through memories y'all still alive (and I know)  
Through my eyes in my mind you'll live 4 ever

[Chorus]

I pour it out 4 my niggaz that's dead and gone  
As 4 my niggaz in prison I throw it up cause I'm riding for 'em  
\*Big Black and \*Lil Will them there my niggaz still  
\*Mu Tah and \*Lil Itchy you know a nigga miss you  
\*Tron and \*Lil Al \*Bam \*Skeet and \*Younger Al  
\*Tron and \*Lil Trap I wish y'all was still here  
And I ain't a heard a word for more than 10 years  
I feel that if I'd been there, he's still be here  
But I'ma hold it down and ain't gon' cry about it  
Cause I'ma holla atcha I'll see you in the next life  
And I'll still be that same nigga  
Still doin thug thizzle  
Wearing the same ol' Dickies  
Then we can drink the same Henny  
Cause back then that's how we did it  
So how could I 4get it  
My three daughters and goals out the doors  
I lost in the struggle  
My homie and my oldest brother

[Chorus]

What part of the game is this my nigga  
Wish you was wit me in my 6 my nigga  
While you was flipping them bricks I figure

I been flooding the streets wit hits my nigga  
You told me give it my heart  
I gave it my love  
I gave it my life  
But you was my blood  
You bringing me pain dawg  
But I'm on the grind  
I'm trying to stay focused  
I'm losing my mind  
I'm missing you dearly  
I wish you was here dawg  
Fucking these hoes wit me  
But instead I'm in tears  
But when you passed it rained  
And God's tears took away the fucking pain  
So look man (ey)  
I can't cry no more  
You died once and you can't die no more (no more) (shit)  
So they can't stop me now  
The only way is if they pop me now  
I'ma hold it down

[Chorus]

Damn  
Y'all niggaz got me feelin this shit in here man  
V- I miss you  
It's aiight tho  
Life goes on  
No matter what  
Life goes on, right?  
I wanna say to all my peoples  
All my niggaz
