

Ja Rule, Mezmerize

Haha yeah
What up Ma?
How u been?
Yeah I know, I know
It's all good
Murder Inc.
Girl your stare, those eyes I
~Love it when you look at me baby
Your lips, your smile I
~Love it when you kiss me baby
Your hips, those thighs I
~Love it when you thug me baby
And I can't deny I
~Love it when I'm with you baby
I got a fetish for fucking you with a skirt on
On a back street in the back seat of a Yukon
whats taking so long?
I'm getting extra impatient waiting for you to tell a nigga to move on
Between me and you we can find each other and flyin abroad in my private G2
I ain't tryin' to G you ma I'm just tryin' to see you
Bend over you know how we do it, feet to shoulders
Bring heat to the coldest night so ferocious
back in the street promoting the dick game its potent
'cause in the bed a nigga go hard like Jordan
sweat pourin', love the way you be moanin'
grippin' the sheets lookin' at me lickin' at me
'cause every woman just wanna be happy
and its crazy but baby I
~Love it when I'm with you baby
Chorus
I wanna get away
'cause you know like I know
and there's a better day coming
And I'm hook on your lovin'
Believe me 'cause when your holdin my body i know you need me
wait for me baby
Ive been goin' half crazy for you love
and i was told that the sex is better than drugs
then get addicted
boy listen, Im the only piece of the puzzle your missin'
like when we're kissin' Bye Bye Bye
you got a girl that'll Ride, Ride, Ride
So take me tonight so you can do what you do to me baby
Chorus
Shorty, Are you really gettin' bored with me or him
cause though i play a lot of games, i play them to win
~But then again Im still young and im living my life
You know you're right and Im the type to
pull up to your bumper, get your number baby
~And i can only help but wonder
what life would be without
~My sweet baby
and you're my baby
~Holla if you hear me
ooo ooo ooo
~You can understand that my love is pain
~and how Im feelin' baby, its just a woman thing
Its a mans world but I understand
~But theres still nothing different, boy lets go through the pain
Be my down ass with your round ass
~I know I'm feelin' you
Like you feelin' me
~The way you rub on my body and the way you touch me
Chorus

I love when you touch me baby
All over my body baby
I love when you kiss me
All over my body baby
I love when you touch me baby
All over my body baby
I love when you kiss me
All over my body baby
Chorus
