

Jabba Hot, I Love You

I remember when u were mine
U where kind 'n' u were fine
I did wrong I wounded u
But now I wanna do
VERY MUCH FOR U

Chorus:

I love u much more than u love me
It is so strange coz I do so much for u
I love u much more than u love me
I know that u know that I f**k u
I remember when I wrote a letter
I wrote that I should be better
I wrote a letter I should be better

But u just say:

IT'S NOT OK

Chorus:

I love u much more than u love me
It is so strange coz I do so much for u
I love u much more than u love me
I know that u know that I miss u
I remember my suicide
Now I sit in heaven 'n' cry
I did wrong I wounded me
And now I wanna be
A HUMAN AGAIN

Chorus:

I love u much more than u love me
It is so strange coz I do so much for u
I love u much more than u love me
I know that u know that I love u
