

# Jaci Velasquez, Center Of Your Love

Words and music by Pete Stewart and Mark Heimermann

Tell me have you ever been  
On the outside looking in  
Well it's a cold and lonely place  
Out from under heaven's grace  
Did you ever wonder why  
Or did it ever make you cry  
Tears of joy when you found out  
What His love is all about  
It's the water that I need  
It's the air that my heart breathes  
And I have come to realize  
Love is keeping me alive  
In the shelter of Your arms I've found  
The center of Your love is where I'm free

Chorus:

And I just want to be in the center of Your love  
Yeah that's all I'm thinking of  
Whoa I just want to know  
How Your Love is with me everywhere  
Your love is with me everywhere I go  
(Everywhere I go)  
There is nothing I can see  
That the world can offer me  
What could possibly compare  
To Your tender, loving care  
You're the only one I've found  
Who can make my world go 'round  
'Cause it's only at Your side  
Where there's meaning in my life  
All that's in this world has let me down  
But You are all that matters to me

Repeat chorus

In the shelter of Your arms I've found  
The center of Your love is where I'm free

Repeat chorus

Chorus:

I just want to be in the center of Your love  
Yeah that's all I'm dreaming of  
Whoa I just want to know  
How Your love is with me everywhere  
Your love is with me everywhere I go  
(Everywhere I go)
