

Jaci Velasquez, Escuchame (Listen To Me)

You in the mirror
I've been spying on you
I see a girl, whose world
Is broken in two
I get the picture
That you grew up too fast
You've got your dreams, it seems
And more than you asked
Oo you're fading
Oo you're wearing thin
Oo you're breaking

Escuchame-let me save you some pain
Escuchame-I will show you the way
Mirame-you will be me some day
Baby don't make the same mistakes...Escuchame

I've got a secret
That'll carry you through
There is a God who loves
To look after you
Hey little sister
Don't you worry no more
Just come with me, you see
I've been there before
Oo the heartbreaks
Oo the lessons learned
Oo I know what it takes

CHORUS

BRIDGE
Words of wisdom
Can you hear them?
