

Jaci Velasquez, Esuchame

Words and music by Jaci Velasquez and Mark Heimermann

You in the mirror

I've been spying on you

I see a girl, whose world

is broken in two

I get the picture

That you grew up too fast

You've got your dreams, it seems

And more than you asked

Oo you're fading

Oo you're wearing thin

Oo you're breaking

Chorus:

Escuchame - Let me save you some pain

Escuchame - I will show you the way

Mirame - You will be me someday

Baby don't make the same mistakes...Escuchame

I've got a secret

That'll carry you through

There is a God who loves

To look after you

Hey little sister

Don't worry no more

Just come with me, you see

I've been there before

Oo the heartbreaks

Oo the lessons learned

Oo I know what it takes

Repeat chorus

Bridge:

Words of wisdom

Can you hear them?

Repeat chorus
