

Jaci Velasquez, If This World

Do you feel you've been disowned
Left outside in the cold
And without a home?
Do you think that no one cares
That you're lost and alone
And without a prayer?
Don't give in to the lie
That there's no one you can turn to
Don't lose heart, there is hope
There is someone who will never desert you

CHORUS:

If this world is a lonely place for you

Fall into the arms of love

If this world is a lonely place for you

There's a God who you can trust

Who'll comfort you and lift you up

Are you looking for a friend

Who will stand by your side

To the very end?

Someone who is always true

To his word, be assured

He won't turn from you

Put your faith in the One

Who will never let you down

He has proven His love

Open up to all He has for you now

CHORUS

He hears your cry, He sees your tears

He knows your pain and all your fears

He waits for you with open arms

He longs to live inside your heart

You'll never be alone again

CHORUS
