

# Jaci Velasquez, Imagine Me Without You

Words and Music by Rudy Perez

As long as stars shine down from heaven

And the rivers run into the sea

Til the end of time forever

You're the only love I'll need

In my life You're all that matters

In my eyes the only truth I see

When my hopes and dreams have shattered

You're the one that's there for me

When I found You I was blessed

And I will never leave You, I need You

Chorus:

Imagine me without You

I'd be lost and so confused

I wouldn't last a day, I'd be afraid

Without You there to see me through

Imagine me without You

Lord, You know it's just impossible

Because of You, it's all brand new

My life is now worthwhile

I can't imagine me without You

When You caught me I was falling

You're love lifted me back on my feet

It was like You heard me calling

And You rush to set me free

When I found You I was blessed

And I will never leave You, I need You

Chorus

When I found You I was blessed

And I will never leave You, I need You oh

Chorus

I can't imagine me without You
