

# Jaci Velasquez, Look What Love Has Done

Rob Mathes & Stephanie Lewis

NOTE: This song is sung to the Lord. In the album cover notes, "You" was capitalized to signify God, (see final verse).

Where once the moon  
Was just a rock spinning in the sky  
Where once the stars  
Were only tiny points of light  
Now the moon looks like  
It's heaven's shining pearl  
Now those stars--they look like  
Windows into another world

CHORUS 1:

Look what Love has done to me  
Look what Love has done  
There's poetry in all I see  
Look what Love has done  
And my heart is dancing through each day  
My soul is running free  
Look what Love has done to me  
Where once each breath  
Was just a sigh of aching emptiness  
Where once I hardly felt  
The beating in my chest  
Now each breath feels like  
A precious kiss of life  
Now inside me beat the wings of a thousand butterflies

CHORUS 2:

Look what Love has done to me  
Look what Love has done  
This must be how it's meant to be  
Look what Love has done  
And my heart is dancing through each day  
My soul is running free  
Look what Love has done to me  
And I can't tell  
Was that a violin  
Or did You say something  
Was that lightning striking where I stand  
Or did You just reach out and take my hand
