

Jaci Velasquez, Lost Without You

I know I can be a little stubborn
sometimes
You might say, I little righteous and
too proud
I was lookin' for a way to compromise
Thinking maybe I could work things out
I thought I had all the answers
Never givin' in
But You loved me all along
And I admit I was wrong

(CHORUS)

All I know is I'm lost without You
I'm not gunna lie
I could never be strong without You
I need you be my side
If I ever thought we'd never be together
'Cause of all my foolish pride
Don't know what I'd do
I'm lost without You
I keep tryin' to find my way
But all I know is
I'm lost without You
I keep tryin' to face the day but
I'm lost without You
You're the only one
who gets rid of these blues
When I fall You'll catch me every time
The way You give me clarity
when I'm confused
Just to hear Your voice
can ease my mind
Oh me world's so cold at night
When I wander far away
Only You can make it right
No I'm not too proud to say

(CHORUS)

I keep tryin' to find my way
But all I know is
I'm lost without You
I keep tryin' to face the day but
I'm lost without You
I know that You can hear me now
You make the pain just go away
Stop all the all the tears from
running down my face

(CHORUS)

I keep tryin' to find my way
But all I know is
I'm lost without You
I keep tryin' to face the day but
I'm lost without You
