

Jaci Velasquez, Season Of Love (With Pete Orta)

Where a prayer could be enough
Our hands open up and give a little
more

Crowded hearts make room
Kindness falls like the snow
Tenderness like a row of dominoes

Chorus

Season of love

A chance to shine in the darkness

To be hope, to give joy

All over the world it's Christmas

The season of love

Christ is here with us

In our hearts, through our hands

Love is the season

Holy infant Son of God

You are the light inside of every one
of us

Miracle on earth

We see your star, feel your peace

You are why this will always be the...

Chorus

Love is the season
