

Jaci Velasquez, This Love

Love has got a way
Of making colors fade
No intentions here, prejudice or fear
There are no rules to play
Or judgments to be made
If beauty has grace, Let her stay

Chorus:
Heaven is a place that we can run to
Me and You
In God's eyes we're all the same
So be you and I'll be me
Don't be afraid 'cause in the light
There is no weight
Have faith
This love is for everyone

Silence is a spell
Lose your sense of self
I'm trying to explain
This liberating change
No formula or key
It's all for free

Chorus

Wherever your faith
Whether you're changed
It's ok there are no conditions
Loving arms will never fail

Chorus
