

Jaci Velasquez, We Can Make A Difference

Do do do do do

Do do do do do

Do do do do do do do

Repeat

Come on now

We live in a dream

If we really think

Everything's alright

(yeah)

This world is in need

Crying out to be freed

We gotta shed some light

(oh)

Teach the world to smile

(And hear angels sing)

Feel the breath of God

(And the power it brings)

It's time to come together, you and I

And share the love of Jesus Christ

Chorus:

We can make a difference

We can make a change

We can make the world a better place

We can make a difference

We can make a change

We can make the sun shine through the rain

Shine on through the rain

Do do do do do

Do do do do do

Do do do do do do do

Do you know a man

Who's needing a hand?

Don't ya walk on by

(oh)

A sister is sad

Lost all that she had

We gotta take the time

(oh)

Look around your world

(It will testify)

Some have empty hearts

(Some have hungry eyes)

God can heal the suffering through our hands

Find compassion, take a stand

Repeat Chorus

Do do do do do

Do do do do do

Do do do do do do do

Repeat

Teach the world to smile

(And hear angels sing)

Feel the breath of God

(And the power it brings)

It's time to come together, you and I

And share the love of Jesus Christ

Repeat Chorus

We can make a difference

(Shine oh)

Make a change

(Come on now, shine on through it)

We can make a difference, difference, difference

(We can make a difference)

We can make a change

We can make a difference difference, difference

yeah, yeah
