

Jack Blanchard & Misty Morgan, Legendary Chick

Legendary chicken fairy big as life and twice as hairy
In our windows you'll come creepin'
Whippin' goodies on us while we're sleepin'
When you wish upon a bird makes no difference how absurd
The chicken fairy hears each word and all your dreams come true
Chicken fairy in the sky Mother Goose is butterfly
Do whatever's necessary legendary chicken fairy
Sing a song that's sanitary take my wish oh big canary
Legendary chicken fairy make all my dreams come true
La da da da la da da
Sing a song that's sanitary...
