

# Jack Foster III, No Tears Left For Cryin'

There's no mythology in pain  
another mother's son is body count  
and nothing stops the rain  
hurts too much to keep the score  
Ain't got no tears left for cryin' any more

I believe there's a wisdom  
that exists beyond the blue  
I believe there's a great mind  
that loves and cares for you  
but the waters rise to flood the shore  
ain't no tears left for cryin' any more

Fly away  
slowly rise from the earth  
leave your tears to the dreary day  
Fly away  
soar the universe  
traverse the Milky Way

You see it on the TV screen  
man's inhumanity abysmally obscene  
put the lock upon the door  
won't be no tears left for cryin' any more

Fly away  
slowly rise from the earth  
leave your tears to the dreary day  
Fly away  
soar the universe  
traverse the Milky Way

Ashes to ashes, dust to dust  
the world is faithless until you find the trust  
the spirit is willing but the flesh is weak  
lay me down my soul to keep  
my soul to keep

Fly away  
slowly rise from the earth  
leave your tears to the dreary day  
Fly away  
soar the universe  
traverse the Milky Way
