

# Jack Frost, Into Oblivion

stone cold breeze  
as I walk  
in the dawn  
eternal sleep

walls they breathe  
as I talk  
to myself  
anguish creeps

[Chorus:]  
worship my ashes  
when I'm gone  
don't let me vanish  
into oblivion

my senses bleed  
as I see  
my body drown in  
infinity

stone cold breeze  
as I walk  
in the dawn  
eternal sleep
