

Jack Greene, But You Know I Love You

But you know I love you oh I love you
When the morning sun streaks across my room
And I'm wakened up from another dream of you
Yes I'm on the road once again it seems
And all I've left behind is a chain of broken dreams
But you know I love you yes I love you oh I love you
How I wish that love is all we'd need to live
What a life we'd have cause I've got so much to give
And it seems so wrong and it breaks my heart
To know the dollar sign is all that's keeping us apart
But you know I love you yes I love you oh I love you
And if only I could find my way back to the time
When the problems of this life had not yet crossed our minds
All the answers could be found in children's nursery rhymes
I'd come running back to you
But you know we can't live on dreams alone
And to pay the rent I must leave you all alone
But I had to I make my choice many years ago
And now this traveling life is the only life I know
But you know I love you yes I love you oh I love you
But you know I love you yes I love you oh I love you
But you know I love you yes I love you oh I love you
