

Jack Greene, I'll Love You More

I'll love you more than you need should you need it
I'll help you up should you fall along the way
I'll love you more than you need should you need it
Too much love never gets in the way

I'll love you and want to spend my whole life with you
And I reveal your love for me is complete
But if along the way you should stumble I've got a plan to get you back on your feet
I'll love you more than you need...
