

Jack Greene, It Just Doesn't Seem To Matter

We both know how we're hurting another and both of our worlds may soon shatter
In the end we might destroy each other but right now it just doesn't seem to matter
When you're winning you'll forget how it feels to lose
And it's hard to put yourself in someone else's shoes
Everybody says our love's infatuation but we dismiss it all as simply idle chatter
We keep saying time will change our situation
But right now it just doesn't seem to matter

And it's hard to put yourself in someone else's shoes
We keep saying time will change our situation
