

Jack Greene, Then You Can Tell Me Goodbye

Kiss me each morning for a million years hold me each evening by your side
Tell me you love me for a million years
If it don't work out if it don't work out then you can tell me goodbye
Sweeten my coffee with a morning kiss soften my dreams with your sigh
And after you've loved me for a million years
If it don't work out if it don't work out then you can tell me goodbye
If you must go I won't grieve if you'll just wait a lifetime before you leave
But if you must go I won't say no but just so we can say we try
Tell me you love me for a million years
If it don't work out if it don't work out then you can tell me goodbye
Then you can tell me goodbye
