Jack Greene, Try A Little Kindness

If you see your brother standin' by the road
With a heavy load from the seeds he sowed
And if you see your sister fallin' by the way
Just stop and say you're goin' the wrong way
You've got to try a little kindness yes show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the blindness
Of the narrow minded people on the narrow minded streets
[ac.guitar]
Don't walk around the down and out lend a helping hand instead of doubt
And the kindness that you show every day will help someone along their way
You've got to try a little kindness...
[ac.guitar]
You've got to try a little kindness...
