

Jack Greene, Watching My World Walk Away

I never dreamed her footsteps could ever sound so lonely
As they did when she left today
I raised my hand and brushed your tear as I helplessly stood there
Just watching my world walk away
I'm leaving forever she said with her eyes but her soft lips had nothing to say
I never dreamed I'd live to see the day I'd be standing in this doorway
Watching my world walk away
[guitar - piano]
I'm leaving forever she said with her eyes but her soft lips had nothing to say
Oh I never thought I'd live to see the day I'd be standing in this doorway
Watching my world walk away watching my world walk away
