

# Jack Greene, With Pen In Hand

With pen in hand you signed your name today at five I'll be on that train  
And you'll be free and I will be alone so alone  
If you think we can't find the love we once knew  
If you think I can make everything up to you  
Then I'll be gone and you'll be on your own you'll be on your own  
Can you take good care of Johnny can you take him to school everyday  
Can you teach him how to catch a fish and keep all those bullies away hear what I say  
Can you teach him how to whistle a tune can you tell him about a Man in the Moon  
If you can do these things then maybe he won't miss me maybe he won't miss me  
And tonight as you lay in our big lonely bed  
And you gaze at the pillow where I laid my head  
And with your heart on fire will you have no desire to kiss me and to hold me  
If you can forget the good times we had  
If you think that the good times don't outweigh the bad  
Then sign your name and I'll be on my way I'll just be on my way mmmm
